Year 10 Industrial Technology Timber

The Year 10 Industrial Technology Timber class had their major project marked recently. There were a range of different designs and timber species used. The end products were very pleasing and the students should be proud of their work. Kelsey McSweeney also entered her table in the Show and was awarded best school woodwork exhibit!

Student Success - Damien Santin and Jordan Williams

Congratulations to Damien and Jordan who have been selected into the Northern Rivers Zone schoolboys cricket team. The boys will now contest the North Coast titles to be held on 17th and 18th November in Lismore. Go well.
Year 8 Beach Trek

On Thursday 29th October our Beach Trek started with overcast conditions but with very little rain and no wind, this made for great conditions for the lighthouse climb and walk on the beach. We were also treated to a display from whales and dolphins close to The Cape! Friday then started with some sunshine and spectacular views.

During October, 9 Students from Kadina High Campus, 9 students from Richmond River Campus and 4 students from Lismore High Campus arrived at Richmond River High Campus for a Communications Brand Ambassador Forum led by Kylie Wilkinson and Mrs Laverty.

Our focus was improving communication across the college and getting our wonderful stories, photos and many talents out into the Lismore Community. The students who represented The Rivers Secondary College, gained insight into the other campus activities, what their school is really like, how they structure their day, subjects they offer, as well as the many and varied opportunities offered throughout their school year. From hearing these stories, our Brand Ambassador team were very inspired.

Some interesting points/quotes from our experiences were:
“Well, I had never been to Richmond River before, so this was a good opportunity to meet the people, and form my own opinion about the school. It also showed me what the college was trying to achieve”.
“It will be a wonderful opportunity to be able to share learning resources and techniques with the other Rivers College schools”.
“I’d like to get together more in these forums, to get with like minded people my age and have days where we can do what we love together”.

Students will meet again prior to the end of the year with The Rivers Secondary College Senior Captains and Vice Captains to plan for 2016. Thanks must go to Richmond River High Campus for their hospitality, as well as the opportunity to work in such an amazing Library! Thanks Mrs Seccombe (Richmond River High Campus Teacher/Librarian), we hope to come back and visit you and your amazing variety of books (and lollies) very soon.
