Congratulations to these students for their overall Academic Excellence and Achievement Awards.
Andy Roberts Memorial Award-Emergency Services

This award is in memory of Andy Roberts. Andy was an advocate for youth and lobbied long and hard for a NSW SES Cadet Program to be implemented. Andy lost his battle with Cancer in September of 2007 and was unable to see the fruits of his labour in this area. In 2009 the NSW SES decided that an ‘Outstanding Achievement’ award would be presented to acknowledge a cadet who had shown extensive growth and personal improvement. It is ideal that this award be named in honour of Andy Roberts who fought hard to see young people given the opportunity to succeed in life.

Congratulations to Abbey Harvey for receiving this award today.
Debating Success – Ellen Welstead-Cloud
selected to represent the region in Sydney

On July 27th and 28th our Year 9/10 Zone winning debaters went to Coffs Harbour to compete in the regional
finals. The two days were jam-packed with tutorials on the technical aspects of debating. Interspersed be-
tween these there were numerous debates also scheduled.
The team comprised of Ellen Welstead-Cloud, Lena Qualmann, Chloe Willis and Georgia Zambelli, all from
Year 10, competed in three debates with two of these resulting in convincing wins. The adjudicators were par-
cicularly impressed that they were able to incorporate the lessons from the workshops into their debates re-
flecting that they not only absorbed the knowledge but were also able to apply it effectively. The purpose of
this camp was to establish the finalist winners for the region – in this case Macksville narrowly won out-
and select individuals from the approximately 60 students attending to create a master team to represent the re-
gion in Sydney. For the second year in a row Ellen Welstead-Cloud will be a part of the team competing with
schools from all over the state in the finals.
As usual the students were confident, organised and passionate in their deliveries reflecting particular skill in
rebuttals. In fact the adjudicators noted that their arguments were often sophisticated with close to university
standard concepts that just required some further development. It is wonderful to see such positive young
leaders emerging from our school recognised on a regional and state level.

**JJJ High Unearthed Competition**

On Friday 17th July, Ryley Adams, Macaulay Smith, Lucas Mapstone, Joshua Towers, Flynn Adams from the Band ‘Next Week’ and Jamali Bowden, Merlin Bennett, Jack Duncan, Oscar Vanaria-Jamieson and Nic Smykowsky from the band ‘Melted Couch’ along with myself went to the recording studio at Southern Cross University and recorded two Original songs. The session was a huge success and enabled both bands to upload a song onto the JJJ High Unearthed competition.

All of these students conducted themselves very respectfully and can be congratulated on their outstanding behaviour.

A big thank you goes to Louise Savins for her work in getting this project off the ground.

I would like to wish the boys all the best in the competition and can’t wait to hear their songs on the radio.

From the Principal
Dear Parents and Carers

The gazettal of The Rivers Secondary College has progressed to the Deputy Secretary’s office.

The office has noted the use of the word school preceding the word campus as superfluous.

There are no other existing secondary colleges which include the words school and campus as part of an individual site name and as such the proposed campus names are not consistent with the naming conventions for NSW Public Schools.

Gazettal of the name is an important step in moving to achieve the aims and priorities identified in the consultation and planning that has occurred over the last three to four years.

To facilitate the progress of the gazettal it is proposed we put forward the amended names for each campus which are acceptable under the conventions currently existing in NSW Public Schools:

- The Rivers Secondary College, Lismore High Campus
- The Rivers Secondary College, Richmond River High Campus
- The Rivers Secondary College, Kadina High Campus

The removal of the word school from the proposed gazettal of the new entity does not impede future commemorative celebrations or the library. Well done to all of the Year 8 students on your work.

Peter Howes
Deputy Principal

If you have any feedback or questions please don’t hesitate to contact me.

Enjoy your weekend.

Dave Harvey
Principal

From The Deputies
I would like to congratulate all of our students on today’s assembly. We are particularly proud of all the academic award winners as well as all of the other students for their outstanding behaviour during the assembly. Abbey Harvey, of Year 11 received the Andy Roberts Memorial Award which is an exceptional achievement. Over one third of the students in Years 7-10 received academic achievement awards and that is testament to the calibre of RRHS students. Following the ceremony our official guests enjoyed a lunch catered for by Year 11 Hospitality under the guidance of Mrs Ford. One of our guests commented that he often attends events at Parliament House and the catering at RRHS was far superior. Well done to the Hospitality team!

Year 10 Music provided heaven for our ears with the piece ‘So Soldier’ and Ninia Pflueger and Tayla Moss performed the National Anthem beautifully. A big thank you to all involved with the assembly, in particular our student leaders Malachi Joseph and Zoe Bertuzzi, Ms Sinclair in the office and Mr Tyson who coordinated the event.

The PIP presentations were of high quality this year. Many parents attended the displays last night in recognition of the historical links that the three secondary schools have with the Lismore community.

Year 10 Work Experience Opportunity

Dear Parents/Carers,

There is an opportunity for your child to participate in work experience if he/she is not attending the Year 10 Great Keppel excursion in Week 9 of Term 3.

For your child to participate in work experience during this time he/she must approach an employer and seek their approval to participate in five days of work experience from Monday to Friday, 7th -11th September 2015.

The following information must be obtained from the employer and returned to Mr. Eden Weir (Careers Adviser) by Friday, 21st August 2015.

Business Name: ___________________________ Contact Person: ______________________________
Contact Number: ___________________________ Employer Address: ____________________________

- Once the student has submitted the above information, the employer will be contacted to confirm suitability and complete work placement forms.
- The employer will supply details to the school outlining the work experience activities.
  The student will be required to follow the link below to complete a work-ready activity.
  www.go2workplacement.com
- Parents will be supplied with the work experience details to view, sign and return to the school.
- The school will approve it once all documents are completed and received. The school must receive all documents by Thursday, 3rd September – otherwise placement cannot proceed.

All documents must be received and school approval granted before any student can participate in work experience.

It is always recommended that students approach prospective employers to seek work placement, as employers generally prefer to meet the person undertaking the placement. (Not sure what to say? Here’s a simple script: Hi, I am a Year 10 student at Richmond River High School and I would like to know if I can participate in work experience here between Monday and Friday, 7th -11th September 2015 please).

It is recommended that students undertake five consecutive days of work experience (Monday to Friday) to gain a good understanding of what is involved in the industry; please take into account transport to and from the employer.

It is recommended that a student completes a minimum of six hours per day (working times are flexible and are to be established initially with the employer).

For more information please contact Mr. Eden Weir on (02) 66213456
