<td>Business arising from the minutes of the previous general meeting</td>
<td>President: Tania - Students who were representing the school recently in a music performance were wearing inappropriate outfits. Peter noted that RRHS doesn’t have a formal policy on what students should wear when representing the school at outside events. As this matter was raised towards the end of the meeting, Dave suggested that the P&amp;C confront this issue at a later date. To be carried forward to November meeting. | Principals Report | **Uniform Policy:**  
Uniform exemptions will expire on the last day of term 4 of each year - conscientious objectors will have to reapply with Principal yearly.  
Parents views will be respected in the policy – must negotiate what the student will wear to school daily. Failure to do so will be dealt with via usual disciplinary policies.  
P&C: Take off the “supplied by Lowes” section so that parents are under no pressure to only buy black shorts/skirts from Lowes.  
**Deputy Principal (Peter):** What uniform to wear at outside events when students are representing the school? To be negotiated with students and P&C.  
**Rivers Principal (John):** Change ‘Failure to meet expectations...’ in the policy. Questioned: “This policy is not intended to create embarrassment” - P&C determines uniform policy at the end of the day.  
**Secretary (Melanie):** Uniform provider needs to cater to various shapes in skirts and shorts – one style does not suit all body types. |
